

## Lord

Kindred: In 1614, war raged in Ueno. I witnessed the people I called family apologized to me while trading me for a bit of brown rice. At that moment, I knew that I had lost the place I called home. Then, the man who bought me died while fighting over the food. I kept wandering. Once, I heard from people that there was a place sheltering people like me who had nowhere to go and no home to return to. So I arrived, like everyone else, after an arduous journey to the town that sits on a hill...

Kindred: The Lord who sheltered us welcomed each and every one of us equally. And that includes me, who is ordinary and unremarkable.

Kindred: Milord is as reliable as always.

I always feel like we are not live in the same world.

But my eyes are always drawn to him.

Although, just looking at him from afar makes me happy and satisfy

Ah! I met his eyes.

But...I still really want to be closer to Milord.

Kindred: They say that Tokugawa's army will arrive here in a few days.

Will I still see such a beautiful moon when I come back here?

O Dear Moon, I hope the war will pass quickly. I hope that our clan will get through this crisis without any trouble.

...Milord will also be in the battle. Please bless Milord, no, please bless all of them with a safe return.

Kindred: But in the end, nothing went as hoped.

Kindred: As the blade fell, everything seemed to come to a halt. All I could hear was the sound of the cleaving going from my bones straight to my soul. Warm liquid gushed out of my body. At that moment, I suddenly realized that the unremarkable me seemed to be about to die like this. Would anyone remember me? It doesn't matter anymore... I just feel so regretful. Because I will never see it again, not just the moon, but also Milord.

[Later, Tokugawa's army annihilated everything. Nothing is left of this original beautiful village.]

[The long-haired demon lord did not say anything, he just collected and buried his people one after another alone, until he buried all his people.]

Kindred: Will anyone remember me?

Vox: I will.

## Captain

Vox: Ladies and gentlemen, this is your captain Vox Akuma speaking.

Vox: We will take off immediately. Now the cabin attendants are going to have a final security check. Thank you.

Vox: Hey, I don't think you should be here. If you are here by mistake, please leave now.

If you are lost, I can get a flight attendant to send you back...

Kindred: No, I'm not lost,

Kindred: I'm coming for you.

Kindred: Dear Captain, you look really charming. You have a successful life at such a young age but never accept any interview.

Kindred: I am the editor of the MIMOON Newspaper. Perhaps you can consider accepting the invitation from the well-knowns MIMOON...

Vox: ....I'm not interested in the interview. Miss, I think I've made myself clear. Please leave. I don't want to be rude to a lady. Please don't challenge my patience, or I will kick you out.

(what a tough passenger.)

Kindred: But I didn't do anything.

Vox: It's already inappropriate for you to show up here. You can be convicted of this...

Kindred: Well, Mr. Captain, please convict me by yourself.

Vox: I'm sorry, I don't quite understand why you are doing this.

Vox: Even if it is an interview, it doesn't have to be at this time...

Kindred: If I had to say why, I don't know. I just heard your voice and came to see you.

Vox: Miss, you don't have to tease me like that.

Kindred: Don't you feel the same way, Mr. Captain?

Kindred: You didn't push me away.

[MIMOOON ONLY: Captain Vox Akuma flirting with passenger blatantly! After investigation and verification, the captain was fired.]

Oops, seems like I did too much, poor Mr. Vox.

## Vampire

Kindred: Ouch....I can't open my eyes...

Wait a second...

I feel dizzy...Where am I...?

Kindred: Wait! I'm coming to visit this castle...

Kindred: I planned to meet the owner of the castle, Mr. Vox.

Kindred: I never thought I would meet him in person halfway there./Never would I thought to meet him halfway there.

**Vox: Excuse me lady, could I borrow some of your time?**

Kindred: He invited me to tea. After that, I became very sleepy.

**Vox:...**

**Vox: Are you okay?**

Kindred: I can't remember what happened after that...

Kindred: This mark...just as I thought, he is a vampire. It seems that I am now in his captivity. But even so, I do not have any fear, rather...

I want to stay by his side.

I had been curious about this legendary ancient vampire family.

I agreed to participate in this event because I wanted to take this opportunity to learn about the history of this old castle. And...

on that afternoon when I talked to him, I felt respect and warmth that I had never felt with human beings

Maybe he did not choose me, but instead, I found him.

Kindred: Wait! what if he has a violent nature? Is it better to find a way to escape as soon as possible?

**Maid 1: Did you know? Our master and mistress met at that party.**

**Maid 2: Really? Is that true?!**

**Maid 1: They look so cute together...**

## Dragon

Dragon: Hehehe...oh, princess, even if you save your knight, you will be tormented by this sense of guilt for the rest of your lives.

Dragon: Feelings are such boring and vulnerable things.

Kindred: You've been talking to yourself since a while ago...

Kindred: You will never understand how precious those feelings are!

Kindred: Knight, are you awake? We need to leave here quickly.

Vox: My lord?? Haven't I already...

Kindred: ...It's a long story to tell. Anyway, Let's get out of here first.

Dragon: Love...is precious..?

Dragon: Can't believe I lost to something like this....

Kindred: Maybe... It's best to wait for him to wake up before applying the herbs

Dragon: (Who are you??)

Kindred: I should get more of this herb next time...

Dragon: (Did he bandage this for me?)

Dragon: Hey.

Dragon: Why did you save me? Aren't you afraid of me? As you can see, I'm not really, human.

(A mere human child...)

Kindred: ...I do fear you. But it was a bit pathetic to see you fall down there, so I decided to save you anyway.

Kindred: And, surprisingly, you would be wounded by a human. I don't think you're as powerful as I thought. So I'm even less afraid of you.

Vox: WHAT??

Vox: (This little brat...)

Kindred: Since you're awake now, let's change the medicine. It was a lot of work for me to bandage you while you were asleep.

Dragon: Ouch! Stop it!

Kindred: ...Why are you so vulnerable? Are you really a dragon?

Dragon: Watch your words, or I'll really eat you up!

Kindred: Looks like you can't take care of yourself right now. Since I live alone nearby, I'll barely take care of you for a while.

Dragon: Who needs the care of humans like you!

[So, after that]

Kindred: Got it!

Dragon:... What's to be happy about, you silly child

Kindred: Whoa! You can light a fire! That's impressive!

Dragon: Silly child...

Kindred: Well, it's time to change the bandage.

Dragon: Nonono! There's no need, dragon has a strong healing ability! Even the fatal wound has been recovered! So there is really no need...

Kindred: Really? What a shame.

Dragon: It's been a year since I was wounded by that rude human princess...

Dragon: But with this human child by my side, life might be not so boring anymore...

Dragon: ...

Princess: You will never understand...

Princess: How precious those feelings are!

Dragon: Precious thing...

[Perhaps, I have found the most precious existence to me.]

**Scientist**

[I failed again...]

[He said. His hands were around my neck.]

**Vox: No! No! This is not right! This isn't her! It can't be her! You betrayed me!**

Kindred: I can't remember how many times this has happened...

[Taken apart and sewn back on]

Kindred: Once I had "betrayed" him, everything had to start all over again.

Kindred: Since the accident, he has become a different person.

**Vox: It's okay...It's okay...I'll save you...**

[He worked harder than anyone could imagine to bring me back to life.]

**Vox: Wake up, Kindred, my darling.**

Kindred: He was always very patient in teaching me how to read and write

Kindred: Teach me how to walk

Kindred: But when I failed his "test" and found his studio, I discovered the truth of everything. It turned out that I was already dead.

**Vox: This is not her! She wouldn't betray me!**

**Vox: She wouldn't do this! She wouldn't do this!**

Kindred: He then becomes crazy. Unwilling to accept reality. He thinks I've "betrayed" him. He thinks I'm a failure.

Kindred: But these "betrayals" were what I wanted to tell him that I was the one he was looking for. I still remember him.

Kindred: I only made this decision because its "me".

**Vox: This isn't her...**

Kindred: I certainly won't forget who I am. It is he who forgets that his darling was never a puppet.

But to make him really realize this...I think...

Perhaps I need to wait a little longer...

He has never given up on me,

then I can endure these modifications for him too.

As long as I'm still with you, I'll let you find me.

**Vox: kindred? Kindred?**

**Vox: Wake up, my darling.**

## **Boyfriend**

Kindred: The ocean breeze is so pleasant! It's nice to have a break like this once a while.

Kindred: Right, Vox?

Kindred: Vox?

**Vox: ...**

**Vox: ...Oh! I, I think so too.**

Kindred: Are you ok? Is there something bothering you?

Vox: ...

Vox: Actually...Kindred, I, I do have something that I want to tell you.

Kindred: Em? Go for it.

Vox: You see, I like you from the first moment I saw you. The time I spent with you is ever so life-changing.

[Kindred: Hi, My name is Kindred.”]

Vox: I think...I can't really imagine my life if you won't there.

Vox: With you, I overcame my past. I become stronger, kinder, and wiser. These all were happened after I met you.

Vox: I just can't help but imagine how much happiness we could gain from each other if we could spend the rest of our lives together. I, I don't really know how to say properly but...

Vox: So, Kindred, In this somewhat corny moonlight,

Kindred: (Could it be....!)

Vox: Will you marry me?

Kindred: (I got proposed to by him!)

Kindred: Y...Yes! I do!

Vox: That's wonderful! In fact I almost let it slip before the trip, thankfully...

Kindred: What you said is what I want to say to you. I'm really happy to be with you!

?: Groom, Do you take bride for your lawful wedded wife, to live together after God's ordinance, in the holy estate of matrimony?

**Vox: Yes, I do.**

?: Bride, do you take groom for your lawful wedded husband, to live together after God's ordinance, in the holy estate of matrimony?

Kindred: Yes, I do.

?: Groom, will you love, honor, comfort, and cherish her from this day forward, forsaking all others, keeping only unto her for as long as you both shall live?

**Vox: Yes, I will.**

?: Bride, will you love, honor, comfort, and cherish him from this day forward, forsaking all others, keeping only unto him for as long as you both shall live?

Kindred: Yes, I will.

?: May Jesus Christ, our Lord and Savior, always be at the center of the new lives you are now starting to build together, that you may know the ways of true love and kindness. May the Lord bless you both all the days of your lives and fill you with his joy. The groom can now kiss the bride.

[Yes...No matter what happens, I will be there for you.]

[No matter where you are,]

[I will find you.]

Kindred: I told you that, right? No matter when and where you are, we will find you again!

**Vox: Hello, Kindred.**
